VERSO

DECLARATION OF PERFORMANCE

No. 14/23.11.2020

1. **Verso Kara, Verso Kara L**
2. The serial number is marked on the product label.
3. The products are intended for heating residential and public premises using solid fuel.
4. Manufacturer: “Verso Engineering” EOOD; Gorna Oryahovitsa; 4a “Ivan Momchilov” Str.
5. –
6. System 3
7. **“Termoplam” EOOD, Sofia, NB 2608** carried out type testing under System 3 in accordance with BDS EN 13240 and issued **Test Report 134/16.11.2020**.
8. Declared performance:

Essential characteristics	Performance		Harmonised technical specification
Heat output / energy efficiency	Nominal Reduced Water heating output: Efficiency – At nominal output: 80.2 %	7.5 kW – kW – kW	BDS EN 13240
Surface temperature	Complies		BDS EN 13240
Minimum distances to combustible materials	Front = 600 mm, sides = 600 mm, rear wall = 600 mm, floor – no		BDS EN 13240
Electrical safety	Not applicable		–
Cleanability	Complies		BDS EN 13240
Fire safety	Complies		BDS EN 13240
Maximum water operating pressure	–		BDS EN 13240
Emissions of combustion products	CO emissions Dust content NO_X content Total carbon content	0.0858 % 29 mg/Nm³ 104 mg/m³ 85 mg/Nm³	BDS EN 13240
Flue gas temperature	204 °C		BDS EN 13240

9. The performance of the products identified in points 1 and 2 is in conformity with the performance declared in point 8.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Gorna Oryahovitsa, 23.11.2020
